

Ernesto Algaba Reyes

Partner

Mexico City

Biography

With more than 20 years of experience in the Life Sciences industry under his belt, Ernesto Algaba leads the Life Sciences practice for Hogan Lovells in Mexico.

He focuses on health law and regulatory compliance matters for the pharmaceutical and medical devices industries. He also has broad experience in the cosmetics, food, alcohol and tobacco, and consumer products industries. His wealth of knowledge covers matters relating to Mexican Official Standards (NOMs), Consumer Protection Law, overland transport, foreign trade, and contracts.

Ernesto tackles clients' pressing problems by handling their needs to meet expectations. He advises clients on planning and development of innovative projects and on strategic business decisions with respect to the launching of new products, restructuring of activities and businesses, approval and marketing authorization pathways and standards for regulated and nonregulated products, labeling and advertising issues, product liability, and highly specialized regulatory compliance matters. The Latin American Corporate Counsel Association included Ernesto on its 2015 list of recommended lawyers for administrative law.
