The A Perspective Podcast: Andrew Skipper talks to Sharon Constancon

18 September 2020

The A Perspective Podcast

The A Perspective podcast resumes its second season. Andrew Skipper continues to discuss key topics with some of Africa's most influential leaders, both on and off the continent.

In this episode, Andrew talks to Sharon Constancon. In addition to her role as Founder and CEO of Genius boards, Sharon is the Director and Chair of the South African Chamber of Commerce in London, which aims to keep the relationship between South Africa and the UK active and relevant.

Join them as they discuss the importance of this relationship at this critical time as the UK exits the EU and South Africa seeks to consolidate its position in the world market, overlaid with the impact of the pandemic. Sharon also shares her insights on the current situation in South Africa, the massive challenges in the global supply chain and what could be done better. She also shares her views on what the blueprint could be in governance terms and the tangible benefits which would accompany this.
