

Zenas J. Choi

Partner

Northern Virginia

Biography

Having years of industry insight and experience, Zenas Choi tackles complex legal issues from unique perspectives to help drive practical business solutions for his clients.

Zenas works with clients on a variety of technology and commercial transactions. Given his diverse practice, Zenas has helped both providers and consumers of technology and services across many industry sectors including telecommunications, education, luxury goods, manufacturing, real estate, hospitality, financial institutions, consulting/professional services, sports, and media and entertainment.

In particular, Zenas has vast experience handling complex transactions with clients ranging from startups to Fortune 100 companies. Areas of focus include counseling for and the negotiation and documentation of: intellectual property licenses and transfers; technology developments; hardware and technology procurements; cloud, hosting, and managed services deals; outsourcing arrangements; information technology and telecommunications services arrangements; manufacturing, supply, and distribution arrangements; and website and e-commerce related matters.

Zenas is also deeply involved with cutting-edge
