

Mikael Salmela

Partner

Paris

Biography

As a partner in the Hogan Lovells' Paris office and a member of our Corporate & Finance Commercial practice, Mikael focuses on commercial, regulatory and contractual work. Mikael has considerable experience dealing with a variety of complex and strategic agreements in various industry sectors, such as life sciences, energy and IT. Mikael's experience in regulatory matters covers a wide array of topics, including various consumer products and export controls, with a particular focus on life sciences.

Mikael has in-house counsel experience since he was seconded for several months to an online mass retailer of consumer products and to the French subsidiary of a U.S.-based pharmaceutical company. Mikael was also seconded to our London office for six months.

Representative experience

Advises companies in life sciences industry on regulatory issues in lifecycle of products (marketing authorizations, classifications of products, advertising, anti-benefits regulations, and sunshine regulations).

Mikael regularly advises pharmaceutical and medical device companies on their joint development and co-marketing agreements with other industry players.
