

## David Damiba

Partner, Helios Investment Partners LLP

Mr. Damiba is a Partner at Helios Investment Partners LLP where he focuses solely on Credit. Helios Credit provides financing solutions by making direct structured loans to public and private companies across Africa.

Prior to joining Helios in 2012, he was a Managing Director at Renaissance Asset Managers (UK). He founded and headed the Africa investment team at RAM (UK) and led its activities across all asset classes including special situations.

He has over 20 years of experience in investing across the capital structure in developed and frontier markets.

David holds a B.A in Economics from NYU and MBA from INSEAD
