

## Alexander Gasparyan

Counsel  
Moscow

### Biography

Alexander Gasparyan heads the banking & finance and asset finance practices of the Firm's Moscow office. As a finance counsel, he helps clients on spectrum of finance transactions. No matter whether you are lender, borrower, lessor or lessee dealing with secured or unsecured lending, syndicated finance, aircraft or equipment lease (or even a repossession matter), derivatives and structured finance, complicated case involving restructuring or insolvency or taking or enforcing security, Alexander is always on the ground to help you.

Despite that Alexander is based in our Moscow office, his everyday practice expands internationally focusing on English and foreign law asset finance, banking, trade, commodities and export financing which erases the boundaries for cooperation with financial institutions, leasing companies and major corporates around the EMEA & CIS regions.

Given his diverse practice, Alexander has assisted clients from many industry sectors, including financial institutions, aerospace, defense and government services, energy and natural resources and diversified industrials. Alexander cultivates personal approach to each client. After long hours of negotiations, he is always ready to move your interaction to an informal level, for instance, inviting clients to contend at a table
