

Turki Alsheikh

Associated Partner

Riyadh

Biography

Turki Alsheikh oversees non-contentious transactions and is one of a few Saudi lawyers who practices in London, Dubai, and Riyadh. This allows him to blend high international standards with local understanding of best practice insight.

Turki is admitted to practice before all judicial bodies in the Kingdom of Saudi Arabia, where he remains as a leading solicitor in governmental procurement, corporate structuring, and its related commercial issues. He also represents major clients in various Saudi corporate matters, including mergers and acquisitions and foreign investments into the Kingdom. Turki was a board member on a number of Saudi-American companies

He is also particularly knowledgeable in a range of public transport transactions, including buses PO&M, privatizations, and transactions of cross-border nature.

Representative experience

Advising the ADA on a SAR 7bn procurement, operations and maintenance of buses and depots part of the King Abdulaziz Transport Program.

Advising Makkah Mass Rail Transit Company on a SAR 3bn procurement, operations, and maintenance of buses and depots in Makkah.
