The booming hotels and leisure industry has never been more global. Or complex.

The booming hotels and leisure industry has never been more global. Or complex.

During the last 30 years, the global hotels and leisure lawyers at Hogan Lovells have built a reputation as being one of the industry's major legal advisors. We truly enjoy what we do.

We act for leading hotel investors, developers, financiers, and operators worldwide. And we have worked on transactions in more than 40 countries involving nearly every major hotel chain.

This means we have gained deep insight into the issues that you are likely to encounter in any deal. From management agreements to hotel portfolio sales and purchases, to new developments and financings. We help you get the deal done.
