

Business Restructuring and Tax

The financial crisis is not fully behind us. Restructurings and insolvencies are still with us and are becoming more complicated. For some, this is a time of great opportunity and growth requiring internal reshuffling to create a platform for expansion. You need clear guidance. A practical approach to dealing with tax issues in distressed or growth situations across the globe.

The tax team at Hogan Lovells help debtors, creditors, equity stakeholders, buyers, sellers, and investors on restructurings and insolvencies. We think fast and we move fast. This is not a place for the faint hearted. It is about ensuring that tax is not adding to the pain. With global resources, we help you navigate the issues at play and develop an efficient strategy that works for you. So you can move forward with confidence.

Representative experience

Advised Colony Financial in its acquisition of Colony Capital and internalization of management.

Counseled Abengoa in the tax aspects of its project to centralize its IP and R&D activities in its Abengoa Research division.

Represented Euler Hermes in the tax aspects of its joint venture with Mapfre to form 'Solunion' and on the subsequent group reorganization.

Represented Straumur-Burdaras Investment Bank on the €2.3bn restructuring of creditor claims pursuant to an Icelandic court-approved composition agreement.
